BUCHAREST, ROMANIA, EUROPE

## OBJECTIVE

Blending animation and cinematography to create emotionally driven visuals for animations and product content.

## SKILLS

Strong problem-solving skills, adaptive team-player and eager to learn new tools.

### Technical Skills:

- Blender (Cycles, Eevee)
- Adobe After Effects, Nuke, Photoshop, Davinci Resolve
- Auto-Rig Pro, EXR Workflow,
- Windows, macOS, Linux

### Soft skills & Foundations:

- Student of the 12 principles of animation.
- Sculpted and rigged characters using tools such as Auto-Rig Pro.
- Lit and composited scenes for both realism and stylization, using Cycles for ray-traced accuracy and Eevee for real-time workflows.
- Mastered the EXR workflow: render setup, nodes layout for easy team collaboration.

## EXPERIENCE

### VIDEOGRAPHER FREELANCER • 2022-2025

Created visuals aligned with each client's branding and identity. Helped clients reach audiences of up to 750K views on music videos. Creative-directed for a music-community brand, including 3D videos and animations.

### 3D LEAD ARTIST • 4<sup>TH</sup> WALL STUDIOS • 2025 JANUARY - PRESENT

Animating products that come to life.

Contributing across shots using my past cinematographic experience.

Bring new techniques and teachings found across the web, books, courses to the team.

Helping to manage projects and improving delivery time by 30%, utilizing tools such as Kitsu.

## NOTABLE PROJECTS
